## ALLOWANCE

### ***Allowable Subject Matter***

1. **Claims 1, 4-9 and 12-20** are allowed. These claims will be renumbered as 1-16.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the claimed limitation of *packet transmission-means, connected to a host computer, a printer, and a scanner, for transmitting and receiving packets to and from the host computer, the printer, and the scanner, so that a plurality of logical channels can be established between the host computer and the printer and between the host computer and the scanner wherein the plurality of logical channels allow for the print system to respond to a plurality of requests simultaneously.*

The concept of the plurality of logical channels is described in page 14, line 22 ~ page 15, line 9 of the Specification.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
